Dear Mr. Weiss:

Thank you for your message.

Unfortunately, it appears that you have misunderstood my request.

I am not requesting personal intervention for myself or my court case.

I am asking that Ms. Atkins, as the Speaker of the Senate, utilize her powers to initiate an investigate into FTB's unlawful Activities and and stop them.

I have proven that the FTB is **SYSTEMATICALLY** conducting illegal activity in their normal day-to-day operations. I have given you reasonable cause on which to launch an investigation into their overall business practices.

It is within your policy guidelines to investigate and regulate FTB's overall business practices to comply with the law.

Failure of Ms. Atkins to initiate an investigation looks suspiciously like collusion to cover up criminal activity.

I hope that you will reconsider.

Regards,

Christine Grab

PS — the Attorney General's job is to protect government agencies from allegations like mine. They are the government's attorney of record. The attorney general is not looking to protect the general public from government misconduct.

The FBI is the one who oversees state level government criminal activity. I have been copying the FBI all along on all the criminal evidence that I have uncovered over the years. I will send them a copy of this email, too.

Hi Jason,

Thank you for confirming receipt of my email.

FTB's schemes are specifically targeted for those of low socio-economic status, particularly small business owners who are struggling, people who don't generate enough income to file tax returns, retirees and the homelessness.

Every time Senator Atkins sends out a newsletter praising herself for all she does for these particular communities, the more disgusted that I am with the hypocrisy of your office in refusing to do anything to protect these people from the biggest life-ruiner of all — FTB. The horrible things that I detailed FTB doing to me in my court cases is happening to all of them, too, but it is far worse for them because I was always economically stable, and they are not.

Please call me soon to dicuss this matter. It is always a delight to have you insinuate that I am a liar for claiming that I'd always overpaid my tax liability by FTB's own numbers, then have you tell me that you see nothing wrong with FTB embezzling and racketeering. It is always a joy when you victim shame me and tell me that I deserved to be aggressively harassed for filing late — even though the only reason that I filed late was because I was spinning my wheels trying to located the "missing" payments that FTB "lost" in order to prevent them from filing wage garnishments and liens.

Regards,

Christine Grab

Subject: Proof Franchise Tax Board Overcharging Interest via 4 Schemes

Dear Legislators:

I have contacted you all numerous times about FTB's unlawful activities and you have all blown me off. Attached is proof that FTB is overcharging taxpayers via four different schemes.

Here is my CA Supreme Court Accusation in which I document that FTB is running two embezzling/racketeering schemes and a third racketeering scheme: pages 1 - 12: <https://gwsandiego.net/blog/wp-content/uploads/2020/09/Supreme-Court-Brief-Double-Redacted.pdf> and pages 22 -42: <https://gwsandiego.net/blog/wp-content/uploads/2020/09/CA-Supreme-Court-Brief-pages-22-42-double-redacted.pdf>

The CA Supreme Court chose not to hear my case and gave no reason why: <https://gwsandiego.net/blog/wp-content/uploads/2020/10/Supreme-Court-Denial.pdf>

It is your job to protect your constituents. I expect you to immediately intervene to put a stop to these unlawful activities.

If you would like to contact me for more information on this matter, I can be reached at [REDACTED]
