The appointing power maintains a file of such authorizations.

WHO MUST SIGN OATH - As required in Section 3 of Article XX of the Constitution of the State of California, every State employee except legally employed noncitizens, must sign the following oath or affirmation before he or she enters upon the duties of his or her State employment. OATH OF ALLEGIANCE (Type or print name of employee then complete Part 3.)

I DENNIS HAASZ, do solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution of the State of California against all enemies, foreign and domestic; that I will bear true faith and allegiance to the Constitution of the United States and the Constitution of the State of California; that I take this obligation freely, without any mental reservation or purpose of evasion; and that I will well and faithfully discharge the duties upon which I am about to enter.

WHERE OATHS ARE FILED - As required in Government Code Sections 18153 and 3105, all oaths for public employees and all volunteers in any disaster council or emergency organization accredited by the Office of Emergency Services shall be filed in the official employee file within 30 days of the date the oath is executed. The oath is considered a public record.

FAILURE TO SIGN - As stated in Government Code Section 3107, no compensation or reimbursement for expenses incurred shall be paid to any public employee or any volunteer in any disaster council or emergency organization accredited by the Office of Emergency Services unless such public employee has taken and subscribed to the oath or affirmation.
