Dear Public Records Department:

I am making a request under the California Public Records Act (PRA), Government Code section 7920.000, et seq.

My understanding is that every employee of the State of California is required to be insured or bonded in accordance with [California Government Codes 1450 – 1463](#). I understand that the Office of Risk and Insurance Management, which is under the umbrella of the Department of General Services, issues this required insurance policy.

I would like to get proof of insurance for two employees of the California Bar Association, Cecilia M. Horton-Billard and Robert A. Henderson, Jr. I also would like to know when the policies were first issued on each of these employees, and if coverage has been consecutive and consistent between the initial policy issuance and now.

If you have any questions, I can be reached at [REDACTED]. I appreciate your attention to this matter.

Regards,

Good morning,

Our Office of Risk and Insurance Management does not hold and did not procure bonds for/on behalf of the individuals below. The bonds may be on file with the Secretary of State or the employing department, but you would need to inquire with them.

Dear DGS,

Thank you so much for the quick response.

To clarify, are you stating that DGS does not have records of insurance policies issued to California employees as required under California Government Codes 1450 – 1463?

Or are you stating that DGS is the correct department, however, there is no insurance policy for Cecilia Horton or Robert Henderson?

Regards,

Christi Grab
