Hi Ms. Contreras:

At this point, *prima fascia* evidence indicates that the purpose of the improper redactions on the oaths that the Senate Committee provided to me was to hide that at least one of them -- namely Mr. Weisz's oath -- had not been properly executed (hence Mr. Weisz's oath never being filed with the SOS office).

I just wanted you to know that when you were improperly redacting documents, you missed redacting one of the "signatures."

I guess time will tell if the lack of properly executed oaths were genuine oversights or if the Senate Committee is running a scheme to evade Government Code sections 1360, 1362-1369 and Section 3 of Article XX of the Constitution of California.

Please ensure that Ms. Henderson files a proper oath with the SOS.

Regards,

Christine Grab
