Failure to locate an oath of office for an individual does not indicate that the individual is required to file an oath of office pursuant to Government Code section 1363 or that the individual is in violation of the law for failure to file. There is no statutory or regulatory authority prescribing the filing process or penalties for failure to file an oath of office with the Secretary of State pursuant to Government Code section 1363. Therefore, the Secretary of State does not issue certificates of no record for oaths of office.

Public official bonds are not a matter of record with this office. As a one-time courtesy we'll waive the fee, however, future requests will need to include the appropriate fee.
